# Improvements Planned by Mc for Coney Island

Map of the Coney Island project, showing straightened boardwalk, widened beach and expanded recreational areas

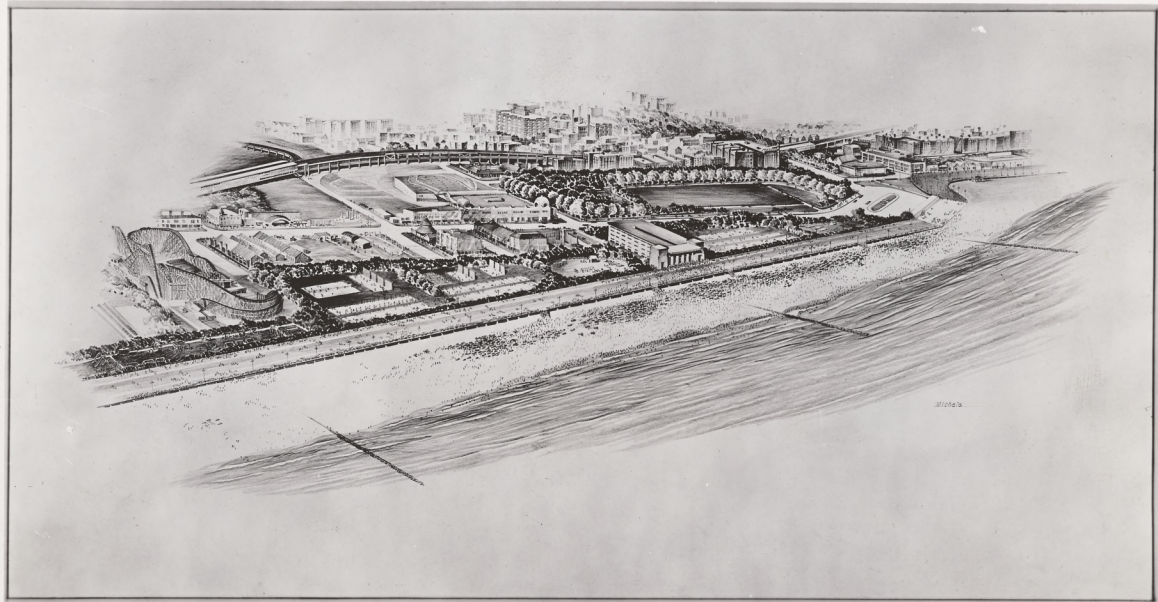

DEPARTMENT OF PARKS

CITY OF NEW YORK

APR 1935

DEC

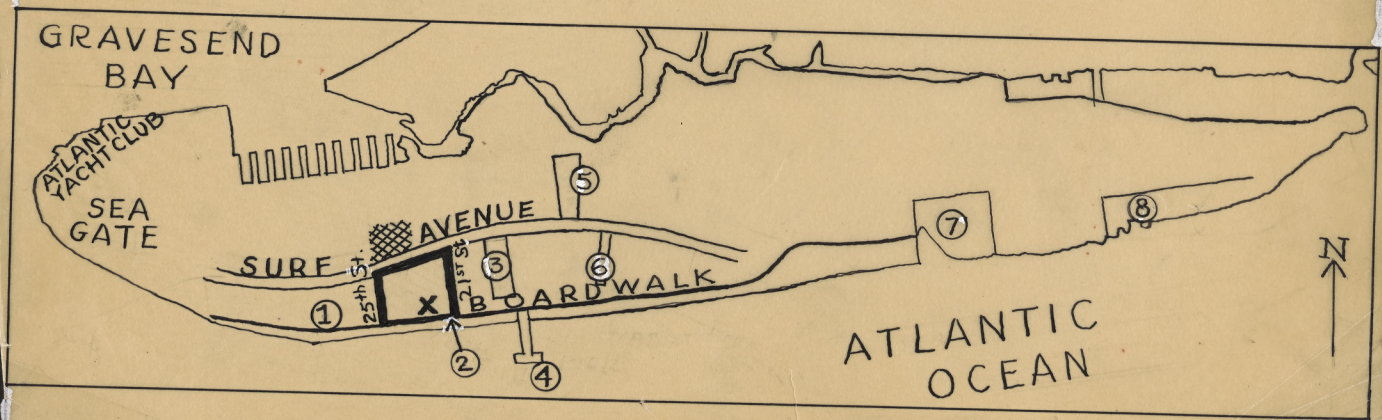

1937

Proposed Plan of Improvement at  
Concy Island - A new wide beach  
extending from Stillwell Avenue  
to Ocean Parkway will be provided  
by relocating the boardwalk in a  
straight line as shown on the draw-  
ing. Expanded recreational areas  
will be established on both the east  
and west sides of the present  
municipal bathhouse, the front of  
which will be rebuilt to accommodate  
the relocated boardwalk
